SETTLEMENT OF THE COAL STRIKE IS BELIEVED TO BE NEAR IN OHIO

PRESIDENT MEETS PAIR OF SENATORS ON MEXICAN CRISIS

Special Meeting of Cabinet Precedes Conference At The White House.

Senator Fall Will Give Evidence Of Mexico's Activities To The Public.

Foreign Relations Committee to Meet Monday and Receive Wilson's Views.

RESERVES JUDGMENT

(By Associated Press)

Washington, December 5.—President Wilson today reserved judgment on the Mexican situation until he could examine evidence submitted by Senator Fall of New Mexico.

(By Associated Press)

Washington, December 5.—President Wilson will see Senators Fall, republican, of New Mexico, and Hitchcock, democrat, of Nebraska, at 2:30 p. m. today to discuss the Mexican situation.

Senator Fall announced that immediately after the conference he would make public the evidence on which he based his charges in the Senate that the Mexican ambassador and consuls in the United States were circulating "red" propaganda.

Sensors Fall and Hitchcock were named a committee yesterday by the Foreign Relations committee to confer with the President to seek his views on the resolution of Senator Fall requesting that the President sever diplomatic relations with the Mexican government.

The Hitchcock substitute proposing that Congress assure the President its support, should he decide to break with Mexico, also will be presented to the President.

The senators will go to the White House following a special meeting of the President's cabinet to discuss the Mexican situation.

MARTIAL LAW IN MINE ZONE

(By Associated Press)

McAllister, Oklahoma, December 5.—Governor Robertson has issued a proclamation declaring martial law in Pittsburg, Latimer, Leflore, Coal, Haskell and Okmulgee counties, to take effect immediately, because of the coal strike and that volunteer workers must operate the state mines under troop protection.

GOVERNORS OF TEN STATES TO GO AFTER COAL

Will Seek Production Sufficient To Meet Domestic Needs

Further Restrictions Go Into Effect.

(By Associated Press)

Chicago, December 5.—Efforts of governors of at least ten states to have sufficient coal mined to provide for domestic consumers and absolutely essential industries marked the progress today of the strike of bituminous coal miners.

Restrictions had been placed on consumption of fuel throughout the country from New York City to the Sierra Nevada mountains, as the general situation at the mines virtually showed no improvement.

Additional industries were shut down in most states today and more drastic conservation rules for cities were in prospect.

WILL REDUCE TRAIN SERVICE DECEMBER 10

War-Time Restrictions On Rail Roads To Be Effective.

Even The "Twentieth Century Limited" Cut.

(By Associated Press)

New York, December 5.—Passenger service on railroads in the eastern region extending as far west as St. Louis, was reduced to a war basis today by drastic orders effective December 10th, issued by the regional director.

In some respects the order was even more sweeping than those issued during the war. For the first time since the "Twentieth Century Limited" was put in operation between Chicago and New York, about twenty years ago, it was cut from the schedule to save fuel.

GERMAN REPLY HAS ARRIVED

(By Associated Press)

Paris, December 5.—Germany's reply to the allied note protesting against the increase of Germany's armament has reached Paris, according to the newspapers. The reply has not yet been submitted to the peace conference delegates.

DECLARE FOR SOVIET SYSTEM

(By Associated Press)

Leipzig, December 5.—The congress of independent Socialists here today unanimously adopted a program declaring for the soviet system in Germany.

Reports From Office of Governor Cox Indicate Agreement May Be Reached.

Operators And Mine Workers' Officials of State Meet To Make Decision.

Proposed Wage Increase May Be 18 to 25 Per Cent. Says Report From Meeting.

If Agreement Reached Permission Will Be Asked of Union To Resume Mining.

(By Associated Press)

Columbus, O., December 5.—Settlement of the coal strike in Ohio was very near today, according to reports from the office of Governor Cox at noon.

At that hour the Governor was in conference with approximately 50 of the leading coal operators of the state, following several conferences with officials of the Ohio Miners' Union.

It was reported the Governor was attempting to bring about a settlement of the strike upon a wage scale higher than the one containing the 14 percent increase. Unofficial reports said the proposed scale of settlement would involve an increase of 18 to 25 percent.

Should an agreement be reached it was said that the Ohio miners would ask permission from the national union to settle the strike and return to work in Ohio.

While Governor Cox was conferring with the operators the mine officials were meeting behind closed doors at their state headquarters here. Prior to the session with the Governor the president of the Cambridge Collieries Company, one of the largest in the state, issued a statement in which he said his company would be willing to abide by any settlement Governor Cox made, no matter what wage scale is decided upon.

The conference adjourned shortly after noon for lunch. It became known then that Governor Cox made a definite proposal to the operators for settlement. The operators will meet about two o'clock to consider this proposal, the exact terms of which were not made known and will meet the governor again later in the afternoon.

CROSS BORDER AND RAID STORE

(By Associated Press)

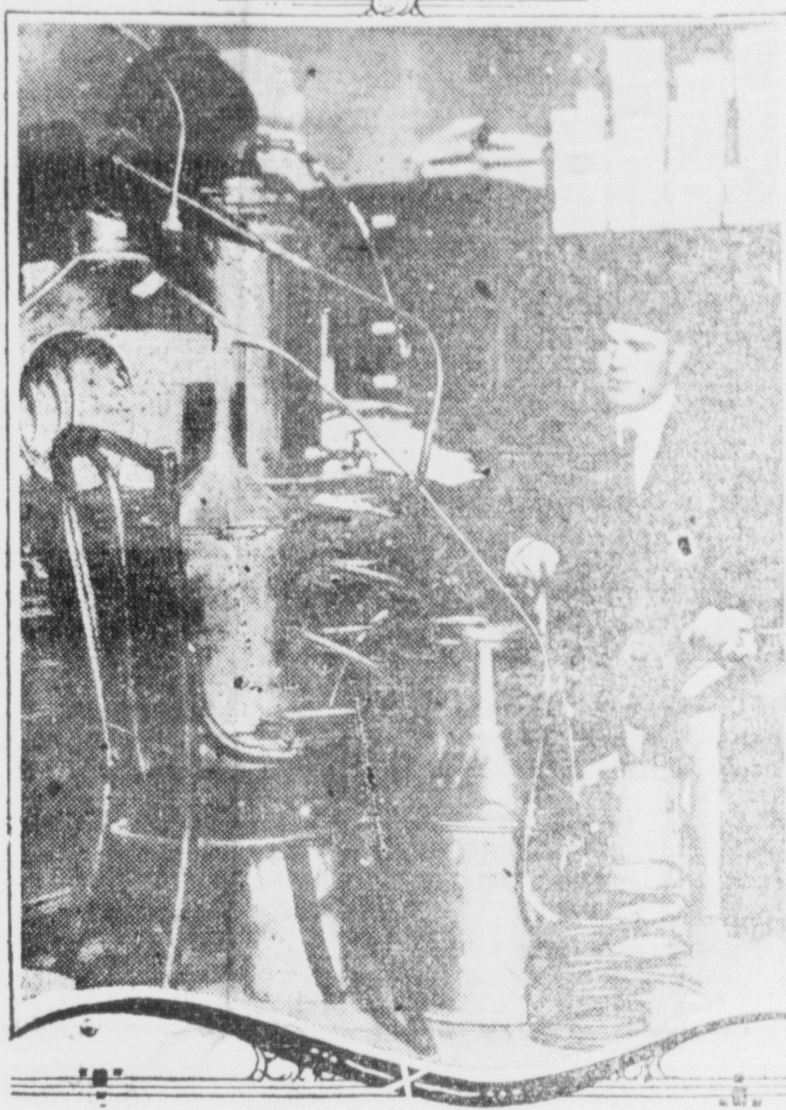

Houston, Texas, December 5.—General Walters, commanding the Texas cavalry, with headquarters here, today received advices of a raid by Mexican bandits on a store near the border 11 miles south of Zapata. The information is that the owner of the store was bound after which the place was looted and the bandits fled across the border.

CLAIM GABRIEL PLANNING RAIDS

(By Associated Press)

Paris, December 5.—The Jugo-Slav delegation here is informed that Gabriel d'Annunzio, the Italian insurgent leader, is planning to raid Spalato and other cities in the adjacent territory with a force of 10,000 troops.

SOME SAD NEWS FOR WOULD-BE DISTILLERS: STILL MANUFACTURING PLANTS ARE RAIDED

Stills captured in one of the plants.

Chief Deputy Inspector Littlehales of the Philadelphia district of the internal revenue department recently led a raid on plants of two manufacturers of whiskey stills and as a result of the raid many orders for the stills for home use will not be filled. In the two plants raided in Philadelphia thirty-three stills and six worms were found and confiscated.

JENKINS IS RELEASED FROM MEXICAN PRISON

American Consular Agent At Puebla Given Freedom Late Thursday Night.

Check For \$500 is Given The Authorities After Which U.S. Agent is Released.

Lessens The Critical Situation Between Two Countries.

(By Associated Press)

Washington, December 5.—The American Embassy at Mexico City notified the State Department today that American Consular Agent William Jenkins at Puebla, had been released from custody.

It was announced at the State Department that Embassy advices said Jenkins had been liberated last night from the penitentiary where he had been held pending trial on charges of giving false information regarding his abduction by Mexican bandits in October.

The Embassy's dispatch reached the State Department coincident with arrival at the White House of Senators Fall and Hitchcock who were to see the President on the Mexican situation.

While the release of Jenkins served to relieve, in a measure, the tension here, officials here explained that

the Jenkins case was only one incident in the Mexican situation. Intervention in Mexico is opposed by Jenkins, who, in a letter received today by Representative Davis, of Tennessee, said: "It ought to be possible to solve the Mexican problem without actual intervention."

CHECK FOR \$500 AIDED RELEASE

(By Associated Press)

Mexico City, December 5.—American Consular Agent Jenkins was released at ten o'clock Thursday night by order of the judge at Puebla, according to a dispatch.

Advices state the consul was set free after the authorities had been handed a check for \$500, signed by J. Hansen, drawn on a trust company of New York. It is declared Mr. Hansen conducted all negotiations for the release.

POLICE ARREST STEEL STRIKERS

(By Associated Press)

Pittsburg, December 5.—Seventy-six men said to be striking steel workers, were arrested at Donora today when state police raided strike headquarters following an explosion of dynamite under a steel worker's residence.

Anarchist Leaders On Ellis Island Never to Return

Deportation to End Long Activities In America.

(By Associated Press)

New York, December 5.—Alexander Berkman and Emma Goldman, his companion in thirty years of anarchistic activities, were sent from the mainland of the United States today, probably never to return.

Ordered deported for urging overthrow of the government by violence, they were taken to the emigration station at Ellis Island today, where they will be held until a ship is available to send them to Russia, from whence they came.

WRIT ISSUED

(By Associated Press)

New York, December 5.—Writs of habeas corpus in behalf of Alexander Berkman and Emma Goldman were granted by Federal Judge Mayer this afternoon.

GARFIELD BACK IN WASHINGTON IS OPTIMISTIC

Announces Coal Production Is Increasing Each Day

(By Associated Press)

Washington, December 5.—Fuel Administrator Garfield returned to Washington today to take personal charge of the coal situation. He appeared optimistic and said coal production was getting closer to normal although the stringency in the middle west was acute.

Coal operators who remained in Washington after the adjournment of the general conference of operators yesterday, denied today published reports that they had considered offering more than 14 percent wage advance suggested by the government.

RANGERS SENT TO THE BORDER

(By Associated Press)

Austin, Texas, December 5.—The Adjutant General this afternoon ordered Texas Rangers at Laredo to proceed to Zapata county because of bandit operations there.

Paris, December 5.—Jugo-Slavia became a party to the peace treaties with Austria and Bulgaria by the act of her delegates signing today.

Coercion Only Way Germany Can Be Made to Comply With Demand to Sign Pact

Field Marshal Hurries to Paris To Confer With Foch As To Next Step.

Supreme Council Said to Realize Necessity For Immediate Action.

(By Associated Press)

London, December 5.—There was a persistent rumor in the stock exchange this morning that the supreme council of the peace conference had threatened Germany that unless the final peace terms were agreed to, Allied troops would occupy Essen and Frankfurt.

Official announcement that Field Marshal Wilson had gone to Paris in response to "an urgent summons to consult Marshal Foch in connection with the peace treaty," is regarded by some newspapers as of considerable significance.

SAY COERCION IS NECESSARY

(By Associated Press)

Paris, December 5.—Coercion is the only argument likely to make an impression upon the Germans and induce them to sign the protocol of the peace treaty, according to the newspapers.

It is said this conclusion was reached at the secret session of the council of five yesterday, at which Marshal Foch was present.

It is said the Marshal undertook to execute the plan he drafted last June, the mere threat of which brought German plenipotentiaries to Versailles.

During the meeting, it is said, Premier Clemenceau and Marshal Foch stated that the unexpected departure of the German delegates from Versailles and the complicated points raised by the enemy left no doubt whatever about the necessity of taking action.

TOLEDO SOLON ENTERS PLEA

(By Associated Press)

Lancaster, December 5.—W. R. Rogers, Toledo councilman, was arraigned before the mayor here today on a charge of having burglarized the Pleasantville bank, February 10, 1919. He pleaded not guilty.

BEGGERS ARE ON THE INCREASE

Vienna, October 15.—(By Mail)—This place is suffering from a daily in-

creasing pest of beggars. While a few are crippled soldiers by far the greater part of the swarms that haunt the thoroughfares are civilians, men, women and children of all ages, from tiny barefooted ragged tots to old men and old women. Women with babies

in arms and others clutching at their skirts. Little girls and little boys of school age and old persons parade the sidewalk in the hotel and cafe districts and pass in steady streams through the restaurants and cafes. Some are licensed, but they are few. The Viennese beggar while persistent is never abusive when refused.

LOCAL DENTISTS ATTEND MEETING

Almost every dentist of this city attended the annual meeting of the State Dental Society in Columbus, December 2, 3 and 4. Dentists from all over the nation were in attendance. The gathering was held in the Elk's Hall.

Dr. W. H. Hayden of Youngstown was the presiding officer. Dr. Charles Mills of Chillicothe was chosen to fill the chair for 1929.

MEN'S DAY AT A. M. E. CHURCH

The question is often asked, why we have so few men in our churches on Sunday. Dean Brown, of Yale Divinity, says that we have "feminized" Christianity to the point that it no longer makes its appeal to "red-blooded" men. This "feminization," he claims, has resulted from our over-emphasizing the negative virtues—the Don'ts—of our religion.

Believing that there is a deal of truth in this charge, we are beginning a series of special services for men.

The first of this series will be held Sunday afternoon at 2:30 at which time Rev. J. M. Thompson will preach. The public is cordially invited.

The Christian Endeavor Choir will furnish music, assisted by our Male Quartette.

SEALS SELLING VERY RAPIDLY

Busy Christmas shoppers stopped at Red Cross Seal booths Thursday and purchased liberally of the stamps that are being sold in the campaign to prevent tuberculosis. The posts were occupied by the Daughters of the American Revolution.

Although the sale on Thursday in this city was not quite so large as that of Wednesday, the first day of the campaign, it was reported very satisfactory and showed that the people are awake to the needs of buying the seals.

In the county it appears that the sale is gradually gaining momentum. Several places have sent to headquarters for more seals and report encouraging results.

At noon Friday the members of the Browning Club took their positions in the stores.

Saturday will be the liveliest day of the campaign with Eighth Grade children of the city making a house to house canvass. The committee urges the people to buy liberally of the youngsters and get behind them in a worthy movement. The Cecilians will have charge of the seal sale in the stores.

LIMA LADY ALMOST FELL DOWN STAIRS ON TWO OCCASIONS

Suffered from vertigo, dizzy spells, and a general lazy liver. Had to support her back with a pillow on account of backache.

Now declares her troubles are relieved since taking the new medicine Dreco.

"I suffered so from dizzy spell and vertigo that I almost fell down stairs on two occasions. My back ached so bad that I had to prop a pillow or cushion against it when I sat down," are the words of a well known lady—Mrs. S. D. Campbell of 206 N. Elizabeth St., Lima, O.

me to take it, and I honestly believe it has been my salvation. I feel like an appetite and began to get into a highly serious run-down condition, and got so I didn't even want to look at anything to eat, for the smell and even the sight of cooking made me sick. To get a good night's rest was simply out of the question, and I would lie awake and roll and toss until morning and then would feel more tired than when I went to bed the night before. I managed to keep on my feet, but many a day it would have felt good to have gone to bed. I was almost a nervous wreck, without energy or strength. Sometimes I felt as though I would as soon be dead as alive. As I have said, several of my friends kept after me to try Dreco, so I finally consented, and I honestly think it was the only thing that saved me. I am feeling strong and well again and sleep like a rock, and can hardly get enough to eat. My nervousness has entirely disappeared; also the constipation. Dreco is a wonderful medicine and every one should know about it."

Dreco, the new herbal system tonic, tones up and strengthens the nervous system; invigorates the entire body; removes all impurities from the blood; restores energy and vitality; tones up the digestive organs; puts the stomach in good condition; stimulates the sluggish liver; strengthens the kidneys, and soothes tired nerves.

All up to date druggists now sell Dreco, and it is highly recommended in Washington C. H. by Frank Christopher.

Worth's work in his behalf, as stated in Springfield's Nerv-Worth druggists: Troupe Drug Co.—For a year I have been so troubled with severe splitting headache and an acid stomach that I could hardly sleep. Could not eat with could hardly sleep. Could not eat with any satisfaction. After taking one bottle of Nerv-Worth I can eat and

sleep as well as anyone and I can cheerfully recommended it to anyone who suffers with stomach trouble or a run-down system.

Mary Carden is in Chicago. She will be in Columbus, Friday evening, December 19th, when she will give the second concert in Miss Kate Lacey's famous Quality Series. She will wear her wonderful gown of a thousand mirrors. She will sing four well-known arias, a group of Scotch songs, and a group of modern French compositions.

The Jazz Band of the Doughboys was the greatest music this superwoman heard in Paris last summer. She wants some one to write a Jazz Opera, with a dash of "the shimmy" for coloring, and she will produce it, sing the leading role. Carden is carrying a cane.

Miss Lacey reports a large block of good seats still available.

Auspices Pythian Sisters

Christ met at the home of Mrs. Jas. Vlerbome on East Temple street. After all business was conducted, Mrs. Geo. W. Osborn took charge of the program. Mrs. H. L. Spray gave the Bible study, "Feeding the five thousand."

Mrs. Sally Mark gave an interesting article on our Foreign neighbors at Home; Mrs. Jas. Cadwallader, the story of "Our Russian Missions in New York City," telling of our Community House there and of the wonderful work being accomplished among the Russians. Mrs. C. W. Lewis gave "The Hidden Answers."

After the close of the meeting dainty refreshments were served.

Preceding an always gay holiday season in the younger set, Miss Florence Schadel and Miss Mary Brown were charming hostesses at a very pretty party, Thursday evening, in the Dahl-Campbell Club rooms.

Yellow chrysanthemums were used in effective decoration and formed an attractive setting for the merry gathering of fifty-five High School pupils. Miss Schadel received in a simple gown of brown Jersey, and Miss Brown in navy blue Jersey. They were assisted by Mr. and Mrs. B. A. Schadel, Mrs. Harry Brown and Mrs. Charles McLean.

Dancing was the evening's chief diversion and splendid music was furnished by Harvey's five piece orchestra.

Light refreshments were served.

In compliment to Mrs. Albert Backert, of Springfield, who is visiting her mother, Mrs. A. A. Hyer for a few days, Mrs. M. C. Myers gave a luncheon of beautiful appointments, Friday noon.

Chrysanthemums were artistically arranged in a centerpiece, and covers were laid for eight.

Miss Ethel Pine pleasantly enter-

tained the Thursday Kensington Club with a few additional guests, at the regular meeting.

Dainty refreshments were served.

Miss Elida Sever delightfully entertained with an oyster supper Thursday evening, at her home on Broadway honoring Miss Hazel Dray who leaves Saturday to resume her government work at Washington, D. C.

Christmas suggestions were introduced in the table decorations, poinsettias forming the central decoration.

A delicious three course menu was served.

The pretty hostess was assisted by her mother, Mrs. Elizabeth Sever and sister, Mrs. Lossen Stuckey.

Seated with Miss Sever and Miss Dray were: Misses Zoe Colaw, Violet and Dorothy Rodgers, Candace Haigler; Messrs. Walter Engle, J. W. Highley, Charles Fultz, Eber Coit, Glenn Bush and Stanley Dray.

Music was enjoyed through the evening.

Mrs. Elizabeth Whiteside was hostess to the Foreign Missionary Society of the Bloomingburg M. E. Church with Mrs. Austin Allen assisting.

After the business was conducted by the President, Mrs. Ollie Plummer the program in charge of Mrs. Martha McCoy was rendered. Mrs. Abbott added a much enjoyed solo.

Delicious refreshments were served by the hostesses before the meeting adjourned to meet at the home of Mrs. Jennie Hammond, January seventh.

Mr. and Mrs. Frank C. Reed left Thursday afternoon for their home in Ft. Thomas, Ky after a week's visit with Mrs. Reed's father, Dr. C. V. Lamm, and Mr. Reed's parents, Mr. and Mrs. J. L. Reed.

Mrs. Will Thurston of Bakersfield, Cal., is visiting her sister-in-law Miss Clara Thurston.

Dr. and Mrs. J. M. Boyd left Friday afternoon for Miami, Florida to spend several months at their winter home there.

Mr. George Sollars went to Toledo Thursday to drive a new automobile from the factory to this city.

Mr. George Bybee was called to Clayton Ohio on Thursday by the death of his brother-in-law Rev. H. B. Doherty. Funeral services were held Thursday and the body taken to Westerville, Friday for interment.

DEATH CLAIMS YOUNG WOMAN

Friday morning at 7:20 Mrs. Delbert Hough passed quietly away at the Fayette Hospital, following an illness of two weeks duration.

Mrs. Hough, who will be remembered by many friends as Esther DeLong before her marriage, was but twenty years of age. Her outward characteristics contributed in making her of a sweet and appealing nature.

The body was removed from the hospital to the Klever undertaking establishment, where it was prepared for burial and taken to the home of her father, Mr. Sherman DeLong, in Millwood.

Funeral services will be held Sunday afternoon at 1:30 at the First Baptist church in this city, followed by burial in the Sugar Creek Baptist cemetery.

HARVEY BLANTON IS FOUND GUILTY

After being out about two hours the jury in the case of Ohio against Harvey Blanton Friday afternoon returned a verdict finding Blanton guilty of burning property with intent to prejudice the insurer, and fixing the value of the property destroyed at \$262.75. A count to the indictment charging arson, previously had been nollied.

The case went to the jury at twelve o'clock, noon, and the jury was allowed to eat lunch before endeavoring to reach a verdict.

Both sides rested late Thursday afternoon, and after special charges to the jury, Russell Nepper, who assisted Prosecutor Rankin with the case, made the opening argument, after which court was adjourned until Friday morning, when Attorney A. C. Patton made argument for the defense, followed by the closing argument by Prosecutor Rankin.

Blanton was charged with having kindled a fire in his place of business one night last August.

The trial started Monday, with Gregg, Patton & Gregg for the defendant.

HOSPITAL NOTES

Mrs. Harley Jones underwent an operation at the Fayette Hospital Friday afternoon. Dr. Robert Drury of Columbus performed the operation.

PERMANENCY GIVEN ARCH BY MANY CHANGES

Contracts have been let by the War Work Council for further beautifying and adding to the permanency of the Memorial Arch on court house lawn which was erected as a memorial to the brave men who gave their lives in the war and to every Fayette county man who was enlisted in the war.

One of the contracts is for solid bronze memorial tablets of very artistic design containing a list of the 44 soldiers who gave their lives for the flag; four beautiful bronze shields bearing names of battles in which the men fought; and two solid bronze eagles mounted upon the top of the arch.

The present tablets bearing the names of fallen heroes are constructed of material which is of a more or less temporary character, and the War Work Council desires to have the names placed on tablets that are indestructible. The W. S. Tyler Co., of Cleveland, expert makers of bronzes, have the contract.

In addition to the bronze tablets, shields and eagles, War Work Council has let a contract for a five foot concrete walk about the base of the two arch pillars, to be constructed without delay, and for the building of heavy anchor piers to hold the arch firmly in place. Also to add a concrete filling on the interior of the pillars to further increase the anchorage.

Al Rhodes has the contract for ventilating the arch, adding another coat of roofing and making other changes necessary to fit in properly with the new bronzes and for giving added protection to the arch.

Many to Graduate BUT MANY REMAIN

Washington High School will lose ten football men this year by graduation. They are Swartz, halfback, Weaver, fullback, Geiger, center, Stewart, an end, Hays, a tackle, Rief, half and end, Cockerill, half and guard, Wilson, an end, Laughlin, a guard, and Conner, an end.

Despite the loss of ten men there will remain five men that will furnish a nucleus around which a winning team may be formed. Rogers, capable of playing any position, Craig, this year's captain and quarterback, Perrell and Thompson, tackles, and Johnny Deen, 180 pound guard.

Hitchcock showed well at the end position and will be better next year. Lanbe, a substitute, will be good material for '20. Several others made good and will be regulars in the lineup when the next football year is at hand.

The spirit of early shopping is so evident this year that it seems unnecessary to again call attention to the wisdom of it.

However we feel that you know that there is a universal shortage of Christmas goods this year, a fact which may cause disappointment to many who are not taking advantage of the splendid opportunities now offered for early shopping.

Especially is this true of the toys, which, when the present supply is exhausted, we will be unable to replenish.

It is our desire to help make this a real, old-fashioned Christmas for you, therefore we are advising that you join the throngs of shoppers now busy with the early shopping spirit.

ASSOCIATION OPPOSES TAX

At the December meeting of the Fayette County Auto Trade Association, Thursday evening that body voted unanimously against the graduated tax on automobiles.

Two instructors from the Columbus Y.M.C.A. Auto School, John A. Reading and Mr. Wyne, donated their services for the session. Mr. Reading discussed at some length the care of the storage battery. As instructor of the battery and electrical department of the Columbus school Mr. Reading is an authority on the subject.

The meeting was attended by many auto dealers and auto mechanics of the county.

At the January meeting of the Association the subject for discussion will concern carburetors. The matter will be taken up in detail. A man from the Columbus school will deliver the lecture.

GETS BIG CHECK FOR SKUNK HIDES

H. M. Fishback, of Greenfield, has received from the Bach Fur Company of Chicago, a check for \$6,301 for one of the largest shipments of skunk hides ever sent out of the state.

Virtually all of the hides had been gathered up at points surrounding Greenfield. The highest price paid for a single hide was \$6.00. This selling price received by Fishback was not announced.

It can buy PE-RU-NA any in tablet or liquid form.

HOME SHORTAGE

Berlin, October 25.—(Correspondence of The Associated Press, by Mail)—The dwelling shortage is so great in Berlin suburbs that the mayor of Wilmsdorf has announced that it will be necessary this winter to let homeless persons in every unoccupied room in the dwellings of that community. His purpose is understood to be to induce the householders to volunteer such use of their rooms so that they may be allowed to select their occupants. Under this ruling, a family of three persons with one servant living in a five room house will have to surrender one room to a refugee.

COUNCIL PASSES RESOLUTION TO FIX GAS RATES

Average Rate of Numerous
Surrounding Towns is
Rate Sought For City.

Collection of Flushing As-
sessments and Building of
Sidewalks Discussed.

At a special meeting of the city council, Thursday night, a resolution was adopted with a view to obtaining a schedule of gas rates in this city that would represent the average charge made in ten surrounding cities and towns, the vote for the resolution being unanimous.

The resolution, as adopted, follows: "RESOLVED by Council of the City of Washington, Fayette County, Ohio, that the Service Committee of this body be, and said Committee hereby is, directed and authorized on behalf of said city and the citizens thereof to propose to THE WASHINGTON GAS & ELECTRIC COMPANY that during a period of two years from the first day of December, 1919, said Company be authorized to charge consumers of natural gas in said city for gas consumed by them, at a rate per thousand cubic feet to be fixed as follows: The rate of charge to consumers of natural gas in each of the following named municipalities to whose inhabitants natural gas is conveyed shall be determined, namely, Chillicothe, Circleville, Columbus, Dayton, Springfield, Middletown, Xenia, London, Mount Sterling and Williamsport in this State and the average rate of charge to consumers in said municipalities shall be applied during such term of two years in said city of Washington.

"RESOLVED further, that said Committee shall within thirty days from the date hereof report to this Council the result of conference with representatives of said Company, where-

upon such action by ordinance shall be taken by Council as shall appear to be consistent with the report of said Committee."

Flushing Assessments

Following adoption of the resolution Rowe suggested that definite steps toward collecting assessment for flushing the streets should be made, and this will be taken up at an adjourned session of council to be held December 22nd, when an ordinance fixing the charge on the various streets will be presented.

Safety Director Passmore called attention to the fact that the city should have 500 feet of new fire hose, and that he had received notice of an advance of 10 cents per foot in the price after the first of the year, suggesting that the hose be purchased. He said at the present time the department has 1200 feet of hose suitable for use on the motor pump and 1300 feet suitable for the lighter pressure from the hydrants. No action was taken on the proposal.

Wants Sidewalk Built

Dr. Roy Brown, appearing on behalf of Millwood citizens, asked for completion of the sidewalk on Millikan avenue, and that the street from Dayton avenue to Millikan avenue, south of the Sunlight Creameries plant and Willis Lumber plant be constructed to afford additional traffic connection between Millwood and the main part of the city.

The Service Director was instructed to look up the legislation which provided for completion of the Millikan avenue side walk, and to take steps necessary to bring about completion of the walk.

Council then adjourned until Monday evening, Dec. 22nd.

NO ACTION TAKEN

No action was taken at the meeting of the Humane Society, Thursday evening at the Court House. The constitution, bylaws and charter had not been completed and the meeting was adjourned to another time.

Lady Grateful For Help Received

"For 15 years I suffered increasingly with stomach and liver trouble. Bloating with gas distressed me very much and caused serious heart fluttering. All medicine only relieved temporarily. I gave up hope of ever being cured. My druggist advised me one day to try Mayr's Wonderful Remedy. I am feeling like a new woman since and can now eat anything with no ill results." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

NEW WAGE BASIS WILL BE FIXED IN SOUTH WALES

Sydney, Australia, Nov. 20. (By Associated Press)—A fixed amount covering the cost of living for a man and wife and the maintenance of their children is to form the basis from which all rates will be calculated in New South Wales.

A bill embodying this novel scheme for ending the "vicious circle" of increasing living costs and raised wages, has already passed the legislative assembly. The scale of living costs is to be formulated by the board of trade after an inquiry. The maintenance of children of the workers will be met by payments from a fund administered by the government.

Employees receiving not more than \$1.25 above the declared living wage will be paid the full amount ascertained to be the cost of maintaining each child.

The fund is to be established by monthly payments from employers, each employer paying in proportion to his average daily number of employees.

No payments are due in respect of the children of employees on strike.

The bill will apply to practically all employees in the state whose earnings do not exceed \$2,000 annually.

MONTENEGRO IS LITTLE CHANGED

Cettinje, Montenegro, Oct. 10. (By Mail)—While the Allied statesmen at Paris are deliberating on the fate of the nations of Europe, Montenegro continues its century long customs of feuds, vendettas, shooting frays and internal strife, and seems outwardly to give little attention to the fate reserved for it by the Great Powers.

There is assemblance of a local government, but Serbia exercises a preponderating influence in the affairs of the country.

There is a faction of the people which desires a return of King Nicholas and the restoration of the monarchy. There is constant strife between the royalists and the republicans, the disorders usually taking the form of fatal shooting combats in the mountains. Feeling runs high. The republicans accuse the monarchists of hiring members of the Comitadje, desperate mountaineers who respect neither law nor life, to kill the leaders of their party. These shooting and stabbing affairs usually take place in sections where the royalists are the strongest. The casualties sometimes are serious. Not a day goes by but the American doctors attached to the Red Cross Mission at Cettinje, Podgoritz and Kolacn are not called upon to treat victims of these encounters. At Podgoritz there has been as high as 20 wounded comitadjes at the Red Cross hospital at one time.

The idle man passes a long and tiresome day.

Anemic Condition Unnecessary.

Pepto-Mangan Makes Rich, Red Blood—Builds Up Pale, Thin Anemic Men and Women.

Good health is the most important asset of life. Without a vigorous, strong body and a keen, clear mind, true happiness and enjoyment are impossible.

And yet so many women, and men too, whose misfortune it is to be pale, thin and anemic, hopelessly accept this condition in the belief that robust health and real happiness are not for them.

Thousands of men and women have been restored to vigorous health and lasting happiness by Gude's Pepto-Mangan. This beneficial blood tonic contains the very properties so vitally needed to improve the blood. Pepto-Mangan, if taken for a few weeks, will enrich the blood and create thousands of the tiny red blood cells that are so necessary to carry nourishment and strength to every part of the body.

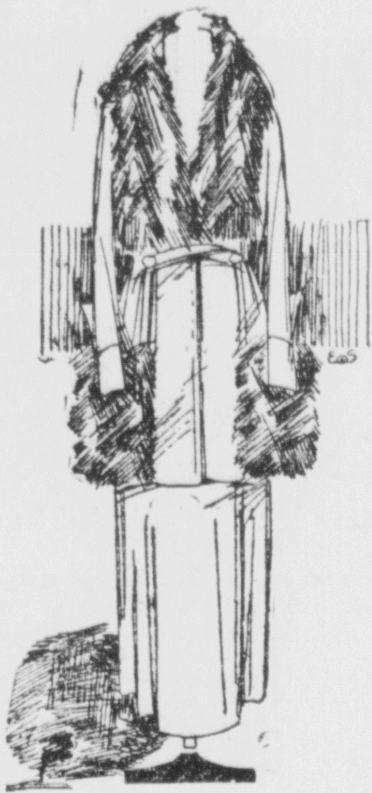

Pepto-Mangan is safe, beneficial and pleasant to the taste. For convenience it is prepared in liquid and tablet form both possessing exactly the same medicinal properties.

Be sure to ask your druggist for "Gude's" when you order Pepto-Mangan. "Gude's" is the genuine Pepto-Mangan. Look for the name "Gude's" on the package. advt.

Does HER Kitchen Need Anything?

There are so many appliances and improved "kitchen tools" to be found up in the Household Utilities Section that many gifts for women are bought here.

There is very nearly everything here to help out in the work of the home.

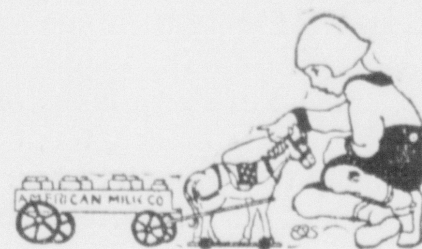

Shop Very Early

Necessity for early shopping is this year so apparent that all should regard the injunction.

Desire to secure some particular object the heart is set upon should prompt selection at once rather than delay.

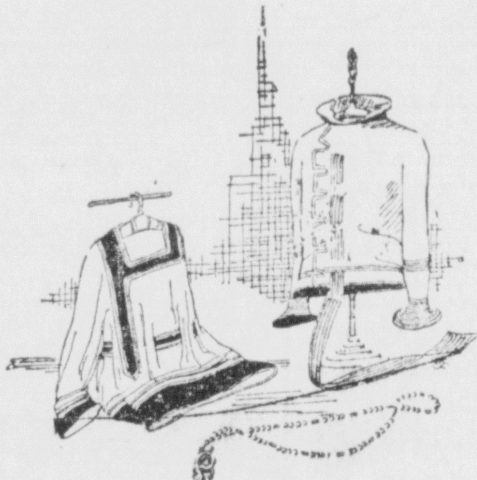

The Best Toys are Those Made in America

Here are playthings for the very little folks as well as toys for older boys and girls. Some are designed solely to amuse; others are of real educational value; still others combine both entertainment and instruction. All are made in the U. S. A. and are consequently good toys for YOUR children to play with. Bring the kiddies to Toy-town! Let them enjoy it, as well as yourself.

Let Gloves Carry Your Christmas Message

When buying Gloves, either for personal use or for Christmas gifts, one finds the greatest satisfaction, especially at this time, in choosing from assortments which are complete. Ours include not only all sizes, but the greatest variety of attractive styles for street or dress wear.

Come Tomorrow to See These Handsome New Holiday Waists

So broad is the assortment that no matter how difficult you may be to please, you will get here the very waist that pleases your fancy. We want you to particularly note the fine quality and perfect workmanship put into these garments. We want you to observe their becomingness and beauty. And, last but not least, we want you to note very carefully the reasonable prices for which they are being sold.

NEW IDEAS IN Silks and Dress Goods For Gift-Giving

The gift of a dress pattern of fine silks or dress goods is both sensible and practical; and it is one that is sure of a hearty welcome.

We have a superior collection of fine fabrics for your selection. Every desirable weave, pattern and coloring is here. Materials for every purse and purpose, and prices are pleasingly reasonable.

GIFTS FOR EVERYBODY

Gift Department

The space usually occupied by the millinery department has been transformed into a gift department—one that includes attractive gifts for everyone. There are many new ideas in the first showing that will be snapped up quickly for they are so desirable. An early visit will enable you to have your choice.

Fancy Linens Make Individual Gifts

In choosing among so many designs as are offered in our array of fancy linens, you have a rare chance both to express your own personality and to please the personal preferences of the recipients.

BOOST IN FINES NOW CONSIDERED

Paris, November 2. — (Correspondence of the Associated Press) — The high cost of living is likely to strike the police court if a measure under study is adopted. Misdemeanors, offences against traffic regulations and various other peccadilloes are still being assessed in the police courts under the tariff established by Napoleon when editing the famous Napoleonic code. An advance of 100 percent on all fines assessed in the police courts is being discussed.

They say the world is what we make it, but the trouble is some of us don't know what in the world to make of it.

PIMPLY? WELL, DON'T BE

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cured with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 10c and 25c.

Service Rates

Washington people are considerably disturbed over the apparent inability of the official family and the local gas, electric and heating company to arrive at a mutually satisfactory agreement concerning electric current rates and natural gas rates.

It is not remarkable that these vital problems which are presenting themselves, demanding solution, should be the cause of widely differing expressions of opinion.

Practically every citizen within the limits of the municipality is a patron, using one of the three services furnished, by the local utility company and most of them are "consumers" of more than one of the services. Consequently the proposals of the company, to increase rates, affects the pocketbook of every home in Washington.

It is quite human, too, that "most of us, should take unkindly to a proposal to increase prices of such essential commodities as the local company furnishes. Householders in Washington as well as in every other community in the nation, have seen prices of every essential of life mount to unheard of limits and they are pressed to the limit of earning capacity to make "both ends meet."

It is no wonder, therefore, that they do not hear the announcement that gas rates are to be materially increased, to Washington consumers, with emphatic expressions of joy.

The city council has stood bravely for the rights of the consumers and has fought against any increase successfully too, so far as the electric rate is concerned. We must confess, being human, and consumers of both electric current and natural gas, that the prospect of increased rates is not an alluring one and we cannot, in the absence of a more clear understanding of its details, be enthusiastic in supporting a boost in rates.

At the same time, we realize, as all citizens must, that we are dealing for a community essential and we must not be too extremely radical in our opposition.

We oppose, naturally, any increase in rates—that's the human inclination—but we are not going to be so vehemently denunciatory as to insist upon doing such an injustice to the local company as will bring about a material curtailment of very vital service.

The present local situation is not different from many of our state and national tangles. Officials are too often swayed in their judgment, by a desire to cater to public opinion or to favor powerful interests. The officials have, or could have, if they desired, all the facts and they should go to the people with a report of their action and the fact basis upon which they rest it.

The trouble is the people are left in the dark by officials. The local utilities company presents its side of the question at length in large advertisements, but the public lacks an authoritative spokesman.

The result is that opinion is being formed on prejudices and preconceived notions or upon an ex parte statement. That is dangerous and unjust and may result in a serious public loss in service.

Summed up the situation is this: We want electric, gas and heating service—we must have it. We do not want any increased rate for either if it can be justly avoided. Above all, though, the people want the official side of the problem. If the statements of the company are untrue, exaggerated or half truth, they should be challenged.

Gaining On Winter

November has been giving us some ideal winter weather, bright sunshine and clear blue skies by day and at nights a deeper blue in the heavens, the earth lighted by the rays of the silvery moon while the myriads of golden stars gleam their cheering welcome of lesser light.

Since the hurricane of last Saturday which drove the balmy atmosphere so unseasonal and menacing to health off far to the East and let in the cold currents from the northwest, we have had a long string of bright days and nights—cold and frosty, but calm and invigorating and, above all, fine for the health of folks. Everybody feels better mentally and physically this fine winter weather, and everybody does better, too.

Each day now, like the ones we have been enjoying, means that we have gained just that much on old winter.

The sun will soon reach the extreme limit of its trip south now and turn back on the long six months' trip north. Thus far the sun has kept its face to the north and sent forth, excepting only a comparatively few days, bright warm rays.

We should all be thankful for, with our many problems and many annoyances including coal shortage, nature is being kind to us and considerate of our troubles.

POETRY FOR TODAY

HER ACCOMPLISHMENTS

Annabel has been to college and she simply oozes knowledge.
She can talk in Greek and Latin, she can warble like a bird.
She can play Bach, Greig and Chopin, any garage she can stop in.
And can tell the motor wizards things they never even heard.
She can swim to beat the fishes, go canoeing if she wishes.
She can give Diana pointers in the wildwood hunting game.
She can dance the shock shimmy till your head is hot and swimmy;
She can take a hand at poker—yeh! and trim you at the same.

With the foils she is a wonder, and a Japanese would ponder
O'er her trick of jiu-jitsu, and she bakes delicious pie;
She is clever, too, at verses, and the drama she rehearses
In a way that makes you marvel why Belasco passed her by.
She can juggle globes and gases, she can lecture to the masses,
Basket ball and golf and tennis are to her as A B C.
She can pilot planes in spaces that would scare the world war aces,
But she is a champ at boxing, so she's not the girl for me.

TO BUY HOME FOR NEW RULER

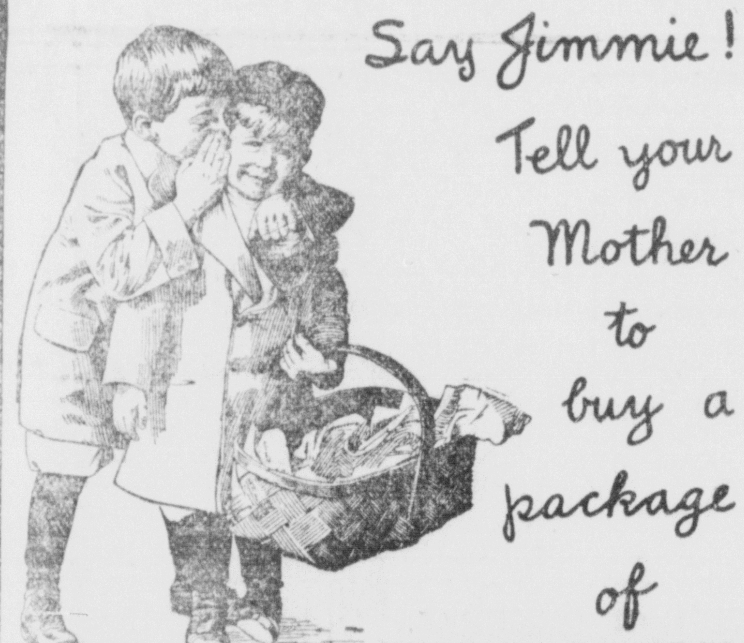

(By Associated Press)

Berlin, October 15.—(By Mail)—Plans are underway to spend 22,000,000 marks for the purchase and equipment of a residence for future German presidents, something on the line of the White House in Washington or the Elysee in Paris, but necessarily less pretentious.

The Pan-German papers are opposing the idea and one of them remarks sarcastically that the plan does not entirely fit in with Erzberger's talk about "utmost economy."

GERMANY NOW FAIRLY DAZED BY DEMANDS

(By Associated Press)

Berlin, October 20.—(By Mail) — Germany is fairly dazed by the demands and requirements of the Entente military and naval commissions for the housing of their supervisory forces which according to the peace treaty, may have their headquarters at the seat of the German government and place sub-commissions at any desired point in Germany.

The Entente has given notice that it will send a chief commission to Berlin, and ten sub-commissions to other points. It demands, from Berlin, hotel accommodation comprising 500 rooms, housing for 300 non-commissioned officers and men, and garage facilities for 60 automobiles. These are the requirements for the army and naval forces.

For the air forces the Entente wants 200 rooms in a hotel, 100 office rooms, housing for 450 persons, and garage space for 60 automobiles. The figures look large to Germans for guests at all the big hotels even now are happy to be able to creep into a bath room and snatch some sleep.

The Council of States has decided that the money agreed upon to furnish quarters for the Entente mission, 5,000,000 marks, was not enough. It is, however, rooms, hotels, dwellings, more than money, which is worrying the government.

The government has made a beginning by announcing that it will confiscate one hotel which has 185 rooms and use the building in Wilhelmstrasse now the headquarters of a press division, for office space.

Another hotel has been confiscated for the air division. That, however, leaves a big gap between what can be supplied and what is demanded. The government may perhaps heed the many suggestions made recently for using various former royal and princely castles, which would relieve the strain on the already overstrained Berlin hotels.

JUST WHAT IS A SEVERE COLD?

A cold is a congestion. A congestion means that some place in your body the circulation of the blood is being impeded, a fever exists which may have become general and every moment of it sees a weakening of your strength. You can't keep well if you're suffering from colds.

You needn't suffer from colds, either, unless you want to. There is no necessity of that cough racking you or of the headaches and pains that distress you.

Duffee's Cough Syrup for thirty-five years has met just such conditions and conquered them. It is the old reliable family remedy in thousands of households, and it has won its way solely through its merit.

Go to your druggist or your grocer and get Duffee's Cough Syrup. Use with Duffee's Fifty-Fifty Tonic Laxative. It will break up the most severe cold, relieve the cough and ease the pain quickly, thoroughly and without

harm, for its ingredients are all helpful. The most delicate need not fear to take it. Fortify yourself against winter's attacks with Duffee's Cough Syrup.

Let Me Be Santa Claus

I'll save you all your shopping worries and cut your Christmas bills in half by sending your friends for a whole year a welcome weekly reminder of your thoughtfulness. What is this ideal gift?

The COUNTRY GENTLEMAN

Farmers value it as the greatest single help in their business. For East, West, North and South alike it contains the best, the most, the latest information on progressive farming. Women like its articles on poultry, on homekeeping, and its fiction.

There is a bully short story in each issue, and in the course of the year there are five book-length novels by such favorite authors as Zane Grey, Albert Payson Terhune and Henry Oyen. No other gift that you can buy for a dollar will give one-quarter its value; no other present, whatever the cost, will give greater pleasure. Send me the list of your country

friends, with their names and addresses and one dollar for each. At Christmas time each of these friends will receive, by mail, together with the first copy of his subscription, a 6 1/4 x 9 1/2 production in full color of a Maxfield Parrish masterpiece, announcing in your name the gift of the most helpful of all publications for the farmer and his family.

LEONARD ABOUT THROUGH AS LEGITIMATE LIGHTWEIGHT; FEW BATTLES IN SIGHT

Lew Tendler, at left, and Jack Britton.

Benny Leonard, lightweight champion of the world, is about through as a real honest-to-goodness lightweight. It has been known for some time that it is hard—if not impossible—for Leonard to train down close to the legitimate lightweight limit—132 pounds. It's just as well, in a way, for Benny as there are very few lightweights lurking around who can make things interesting for him. Lew Tendler stands out as the leading aspirant for Leonard's crown. The best bout now in sight for Leonard is one with Jack Britton, welterweight champ.

IRISH QUESTION IS UP ONCE MORE

Dublin. October 20. (By Mail)—

Many Irishmen believe the government's new Irish bill will give an option to northeast Ulster of coming into or staying out of a Home Rule parliament. Part of the inducement for Ulster to come in may be provided by the adoption of the plan first suggested by Premier Lloyd George under which an Irish parliament would meet alternately in Belfast and Dublin. It is said here that Sir Edwin Carson would vigorously oppose the plan of allowing Ulster to exercise its option by voting by counties. Sir Edward is said to stand out for a clean cut of the six north-eastern counties.

The problem is to give self-government to a country one-fifth of which at least would rather have civil war

than to abandon its present status. The other four-fifths of the country has elected a parliament whose meetings in Ireland are prohibited as illegal.

MINISTER WANTS TO HELP

It is only natural that one who has been relieved from suffering should feel grateful and want to help others. Rev. W. F. M. RODECKER'S NEWS STAND.

I USED TO WAKE UP NIGHTS COUGHING — HAD INDIGESTION

I felt miserable. Had to be careful what I ate. Slept very poorly nights.

THEN TOOK HYP-COD AND AM FEELING FINE

"I was suffering with a complication of troubles which had worn me down until I was just a shadow of my former self and yet—it didn't take this new tonic called Earle's Hypo-Cod but a few days to build me up and make me feel like a new man," declared Mr. A. A. Brown, whose address is given below.

"I had indigestion so bad that after a meal I would get a painful tightness across the chest that almost smothered me. I had to be very careful what I ate. It seemed like a weight on my chest. It brought on nervousness too and I couldn't sleep nights. I would wake up in the night with a dry hacking cough and jump like something had scared me on account of the nervousness. I read the Earle's Hypo-Cod ad in the paper and figured a bottle wouldn't kill me even

if it didn't do any good. I had doctored until I was blue in the face without results, but I'm now on my second bottle of this medicine and the one bottle I've already taken has done me more good than all the doctoring and medicine I've taken the past eighteen months. I sleep from eight o'clock until five in the morning as steady and restful as can be and eat anything I want—don't have to worry about indigestion anymore and my cough even is leaving. It is the medicine I recommend for such troubles," continued Mr. Brown, 116 S. St. Clair St., Dayton, O.

To strengthen the stomach, nerves, digestion, appetite and blood go down to the drug store and get a couple bottles of Earle's Hypo-Cod. It cleanses the blood, rids the system of catarrhal bronchial or asthmatic coughs, colds and mucous improves digestion and appetite in a few days per thousands who swear by it.

Earle's Hypo-Cod is sold here by C. S. Haver's and Frank Christopher's Drug Stores and the leading druggists in all nearby towns. Price \$1.25 plus 5c war tax. adv.

ANNOUNCEMENT

Having purchased the Arlington Cafeteria, it is my intention to devote my entire time and attention to its operation.

It is my desire, in taking over this business, to bring it as nearly to perfection in meeting the requirements of its patronage as is consistently possible, and with this policy as a standard, I will gladly welcome any suggestions tending toward its improvement.

In the matter of cookery, I have employed chefs of tested ability, and have arranged to give my customers all that is to be desired in the matter of prompt and courteous service.

It is my purpose to make the Arlington Cafeteria a reliable, attractive and comfortable place to eat.

Your patronage is respectfully invited.

EIGHT CHILDREN HAD CROUP

"I have eight children and give Foley's Honey and Tar to all of them," writes Mrs. P. Rebkamp, 2404 Herman St., Covington, Ky.; "they all were subject to croup." It loosens mucus and phlegm, stops that strang-

ling cough, makes easy breathing possible and permits quiet sleep. Contains no opiates. Children like t. Blackmer & Tanquary. Adv.
